CLARK'S Celebrated louring Mill.

RINDING and Bolting at a single opera-tion. 36 inch Stone—Price \$750—will turn out 50 bbls, per day. 30 inch Stone— Price \$700—will turn out 40 bbls, per day. This Mill is the cheapest, most simple, du rable and compact, requiring less power, less attention, and makes a larger yield and bet-ter quality of Flour, than any other in use or for sale. Mills can be seen running at Kingston. We also manufacture a very superior Corn

and Feed Mill upon the same principle
If any man will furnish me the power so that I can run a 22 inch pulley 350 times a minute, with 8 inch band, I will put up the Mill and run it 30 days if he will furnish me as much Wheat as I can grind in that time, at \$1 per bushel and take the Flour at \$6 per barrel, I will give him the Mill for the net profits, after paying for the Wheat and all the expenses of running, and leave the Mill in as good repair as it was at the beginning.

Monuments, Tombs, Head and Poot Stones, Mantle Pieces and Table Tops,

of every description. All orders neatly executed. All Engravings on Grave Stone work, (under fifty letters) free from charge.

The white marble the proprietor has lately discovered is precisely the same as in old Hawkins and Knex counties, that has gained such high reputation among the scientific and professional men throughout the Union, both for slurability and susceptibility of high polishes.

For references of workmanship the two blocks of white and variegated marble sent from old Hawkins to represent the State of Tennessee at the National Washington Menument; the Premium Marile Piece and Fancy Table Tops, at Atlanta, Ga., Show Fair, the Premium Mantle Piece, by James Bloan, of Nashville—all of which was worked and superintended by the proprietor Therefore, the public is carnestly solicited to gira time a trial, and examine the white marble, as it is mostly preferred, before purchasing elsewhere, as they will find a saving of twenty per cent.
